February 14, 2011

Dear Members, Staff, Families and Friends of Our Father's,

On behalf of the Board for Christian Education (BCE), I am very pleased to announce that Mr. John Drehfal has accepted our offer to be Director of our Early Childhood Development Center (ECDC) at Our Father's Lutheran.

*John Drehfal – New ECDC Director*

John and his family are long-time members of our congregation who are very involved in the activities of our church, school and day care. Over the years, John has volunteered to serve on numerous church boards and committees, including his current position on the Board for Evangelism. John and his wife Georgeann have a grown son and daughter, and are now raising their adopted twin daughters, who attend school here at Our Father's in our 4<sup>th</sup> grade class.

John received his Master of Business Administration from Cardinal Stritch University in 2007, and brings 32 years of management experience to his new role as Director. We believe that the business development and management skills he has acquired will be a great benefit to Our Father's and our day care program, and make him uniquely qualified for the job duties and requirements of this position.

As Chairman of the BCE and head of its ECDC committee, I would like to express my great appreciation and respect for Interim Director LaKeyvia Finner and Assistant Director Jo Coakley and their faithful and very capable service to our day care over the past five months. Jo will continue in her position as Assistant Director, and I am pleased to announce that LaKeyvia has accepted our offer for the permanent position of Assistant Director. LaKeyvia and Jo will report directly to John Drehfal, and John will report directly to the BCE through its ECDC committee.

John begins his full-time work as Director on Monday, 2/14. Please join me in giving him a warm welcome and offering our support as he, Jo and LaKeyvia work together to continuously improve the quality of our day care program and its service to Christ's Church, our congregation and our community.

In Christ,  
Dean Sievert  
Chairman, Board for Christian Education
