4K & 5K with Mrs. Wierman

The long awaited 100th day of school has now come and gone. We had a fun day celebrating on Wednesday. We read several 100th School Day stories, did fun activities with the parachute, number cards, made a project AND learned a 100th day song. We are well over the hump for the school year. It is down hill from here on in. But, don't tell your child that because lots of learning will still be expected.

I hope to see many of you at the Auction on Saturday night. Remember, if you haven't already done so, you can purchase tickets at the door that night. Childcare is available. Awesome items are on display for your bidding and purchasing. The 4K/5K room moms have put together 3 VERY nice baskets from our class (Italian, Mexican, and Super Bowl themed). Thanks again to all who donated money for these baskets.

1st and 2nd Grade with Mrs. Van Hulst

We celebrated day 100 one day late. I have been in and out this week with medical issues with my husband. Thank you to all the staff members that taught for me while I was out.

The auction is tomorrow evening. If you haven't

purchased your ticket, it can still be purchased at the door. Our prices are very affordable--\$25.00 per couple and \$15.00 for a single ticket. Babysitting is also available at the nominal cost of \$5.00 per child or free with a \$75.00 purchase. See you there!

3rd and 4th Grade with Mr. Beversdorf

Happy 100th day and more! We celebrated our centennial school day with some racing to 100 and counting utensils in a drawer. We enjoyed finishing up our Sweetheart Auction baskets and hope that the parents enjoy bidding on what the students created! They did a great job making playing cards, bingo cards, greeting cards, and I Spy cards to add to our baskets.

We enjoyed a trip to India this week. Hitinder, one of our classmates, has been there and told us many interesting facts about India. In Science, we learned about

physical and chemical changes of matter. With the warming temperatures, we also got to see the changes as the snow melted.

In Language Arts, we finished up our poetry unit and the students made many interesting poems. In reading, we finished up our mystery unit and the students learned how to identify the climax (or turning point) in the plot.

In Math, we continue to learn multiplication facts. They need to be memorized. Keep practicing at home please.

We are beginning our Spring Break (Lutheran Schools Week) play practice. If you have large cardboard pieces, please let me know as we can use them for set design or prop design. Thanks!

We sing at the 10:45 service on February 12th! Please mark your calendars to make sure your child's voice adds to the beautiful music.

Your Servant in Christ,
Mr. Beversdorf

5th & 6th Grade with Mrs. Burgess

Our words-of-the-week are brought to us by McKenzie (turtlet: a young or small turtle) and Eddie (babushka: a woman's scarf for the head).

Happy Half Birthday to Jacob!! Thank you so much for the moist and delicious brownies! May God bless you always.

We enjoyed *A Wrinkle in Time* at First Stage yesterday! Thank you for driving, Mr. Ankerberg, Mrs. Hester, Mr. and Mrs. Krez, and Mrs. Sievert. We appreciate you!

The English test for Verbs (chapter 3) will be Wednesday. Spelling pretest for lesson 6 will be next Tuesday.

Come to the auction and see what the fifth and sixth graders contributed! Our gas/charcoal grill looks awesome, and comes complete with Penzey's Grilling Rubs, \$50 in Ray's Butcher Shoppe gift cards, 2 grilling aprons, and grill tools! Come and get it!!

All 5th-8th grade band students will be participating in solo and ensemble at Milwaukee Lutheran on Saturday, March 3. Students have been working on their solos. Specific times for solo performances will be assigned closer to that date. Call Mrs. Wiegert with any questions at (262) 785-0117.

See you at the Sweetheart of an Auction!!!

7th & 8th Grade with Mrs. Anderson:

We're still working on solutions and solubility in Science. We'll head to the lab first thing next week. In Literature we're up to Ch. 9 & 10 in Roll of Thunder, Hear My Cry.

Be sure to check out the items our class bought for the Sweetheart of an Auction. Sherrie Lane got us some fantastic items. Lisa Thomson donated a great picture of Lambeau Field. I hope to see you at the Auction.

Have an excellent weekend!

Our next 8th grade Cousin's Subs fundraiser is on Tuesday, February 7. Join us at the Cousin's Subs on Hwy 100 & Drexel in Franklin from 4:00-8:00. 10% of all profits generated between those hours are donated to our class. MARKET DAY MUSINGS WITH MRS. TIETYEN

January's Market Day numbers were down just a bit from the previous month; however, that didn't stop our school from receiving a profit of \$121.49! Many thanks to those who continue to order on a regular basis and to those who can only afford to make the occasional purchase. EVERY purchase, no matter how big or small, makes a difference. To date, we have raised \$740.66 towards our new xylophones for the students! Way to go!!

In the December 16th issue of the Trojan Times, I mentioned to you how I would purchase the GoGo Squeeze squeezable applesauce and have my own three taste testers give it a try. The results are in and unanimous...all three of them LOVED it! I tried it, too, and was impressed with its flavor. There is NO added sugar! Nothing but apples in an easy-to-go pouch. It's a great fun snack for kids of all ages! No refrigeration, no spoon, no mess and again, no added sugar!

The February Frequent Buyer item is an awesome cooler tote. The cooler tote is insulated, has a zipper closure, reinforced handle, and can hold up to 24 cans of soda! The tote will be a great addition to all families who find themselves "stranded" at basketball tournaments, Little League games, swim classes, and the like. Simply make two purchases of \$40 or more between February and April, then place your third order of \$40 or more in May to receive this tote at our May pick-up.

FREE Cooler Tote

The easiest way to order is by going to www.marketday.com; you can place your orders on-line 24/7. You can also hand-in your order form to the office by Friday, February 10. Pick-up in February is on Saturday, February 18th from 10:30-11:30 in the school gymnasium. If you ever have any questions about Market Day, or would like to volunteer, contact either Kate Madderom at 481-1092, or me at 282-7500.

SPECIAL REQUEST

Many thanks to all of you who have donated those milk caps! I have just one *teeny* request; please, wash those caps out before you bring them in! When sorting through the different bags of donated caps, the odor is quite pungent!
