Our Father's Trojan Times

4K-5K with Mrs. Wierman

The FFF and Trunk-or-Treat is only 8 days away! We can't wait to wear our costumes!

This week we celebrated Caroline's 6th birthday, she turned 6 today. Happy Birthday and God's blessings.

Field trip permission slips came home today for our October 27th pumpkin farm field trip. If you are a scheduled driver/chaperone and your availability has changed, please let me know.

PLEASE take note for the FUN FALL FEST slip that came home yesterday. We can really use some volunteers for games, decorating, and setting up the haunted house!! **Please consider helping.**

Have a great long weekend. Remember to worship.

1st and 2nd Grade with Mrs. Van Hulst

A GREAT BIG thank you to the Greenfield Fire Department. They are truly committed to teaching fire safety to the children. Firefighter Steve spent 45 minutes in the classroom last week Thursday instructing the children. On Friday, Firefighter Greg came in with Pyra

the Firepup who showed the children how to Stop, Drop, and Roll. Firefighter Greg came back again on Tuesday wearing all of his firefighting gear. The children certainly learned fire safety this month.

We are in need of one more driver, able to drive

three children, for our November field trip. If you are able to help out, please let me know.

Next Saturday is the Fun Fall Festival and Trunk-or-Treat. The FUN begins with Trunkers setting up at 5:30, and the doors open at 6:00 for games, music, dancing, treats and THREE HAUNTED HOUSES of different scariness levels!!

regularly. I try to post pictures often. I have the visit from the Greenfield Fire Dept. on the site.

Have a great weekend!

Did you know?

Pumpkins are believed to be a native of North America; the English name pumpkin is said to have gone through various translations. The pumpkin has been referenced for thousands of years and it is thought that the origin of pumpkin is defined from the Greek word pepon meaning large melon. This in turn was translated by the French, the English and finally North American immigrants to pumpkin.

3rd and 4th Grade with Mr. Beversdorf

We finish up our Sali Away project and our Science chapter on Forces! The students came up with many creative ideas with our farthest sail traveling over 700cm.

In Social Studies, students continue researching their particular country for our Americas' project.

Students began reading a Beverly Claery book this week. The third grade is reading, "Runaway Ralph" and the fourth grade is now reading, "Ramona

the Brave".

In Art, we are working on clay birds from the Amazon. In Language Arts, we are learning about verbs, and in Math we are exploring polygons.

REMINDER: My goal of homework is to give the students a little extra practice on skills. If you are seeing more than 30-45 minutes of work, please contact me. Thanks!

Don't forget to check the 3rd/4th website

Our Father's Trojan Times

5th and 6th Grade with Mrs. Burgess

Our words-of-the-week are brought to us by McKenzie (boondoggle: a product of simple manual skill made by a camper or scout, or to deceive or attempt to deceive) and Marcus (hubris: exaggerated pride or self-confidence).

If you haven't yet returned the note about the grill for the Sweetheart of an Auction, please do. :)

Spelling pretest 8 will be Monday. English test 5 will be Thursday.

DON'T FORGET TO WEAR YOUR COSTUME ON FRIDAY, OCTOBER 21ST AS THE PREVIEW TO THE FUN FALL FEST ON SATURDAY!!!

Your child received a research paper note today - - please take a look at it. Your child should have at least two real books (on his/her approved topic) here by Tuesday, October 25th.

Thank you to those who have volunteered time and talents for the Fun Fall Fest! We appreciate you! :D

Have a spectacular weekend! See you at the Craft Fair and the Market Day pick-up!

7th and 8th Grade with Mrs. Anderson

We've finished the chapter on matter and are midway through the states of matter. We will be going to the lab to do an activity on the state of matter next week. We have finished our book, "Across Five Aprils", and take the test on Wednesday or Thursday. Next up is Maniac Magee. Next week in Art, we will start 2-point perspective drawing. Is that twice the fun of 1-point perspective?

I'd like to thank the 7th and 8th graders for all of their help with our Volleyball Tournament. We had some excellent posters and locker signs, great workers in setting up the gym and at concessions during the tournament, and delicious cake for our tournament party on Friday. THANK YOU!!

FROM PRINCIPAL BURGESS

Our Student Council and the PAC are joining together to bring your family an exciting evening on Saturday, October 22nd. The evening will start in the school with games, karaoke, the ever-favorite "Cake Walk", dancing, food, and our newest attraction - The Lemberger Haunted House (3 houses of various scary fun, depending on age). Later in the evening we will gather in our parking lot for "Trunk or Treat". Trunk or Treat is a safe way for our children to gather treats out of the decorated trunks of members from Our Father's. After that there will be more outdoor games and a bon fire. Everyone is invited to wear a costume and enjoy a traditional night of fun. Please bring your friends along to share with them how much Fall Fun there is at Our Father's Lutheran School.

VOLUNTEER NEEDED!

In preparation for the 50th anniversary of the school in 2014, Pastor Fabrizio is looking for someone to scan all the old class photos into digital format. We have two scrapbooks full of class photos from before the school began to have yearbooks. These will need to be scanned in so that we can enjoy the memories of all those who by the grace of God have been taught the faith here at Our Father's. After that is done, we will begin scanning the yearbook photos. This is a job that could be done at home if you have a little spare time and a good scanner.

Rev. Dr. Karl F. Fabrizio

RANGER NEWS

Ranger Families,

There is a sheet in the school office for our Rangers to sign up to sell wreaths after each church service in October. Most days are still open, including Thursday the 13th (tomorrow). I ask that you please sign up in the office, or call the office to put your name on the list. This will ensure that the days are filled evenly, and that there won't be too many boys at one service.

Please go to this form and answer the two survey questions. I intended to have the boys vote at our meeting, but due to the low attendance, I decided to go this route. Please reply by this Friday, October 14th.

[trunk or treat vote](#) (direct link to vote)

Wreath order forms were sent home (or Mailed) with the boys who did not make the last Friday's meeting.

If you have any questions about the wreath sale, the forms or Rangers in general, please contact me.

ACORNS AND RANGERETTES INFORMATION

Next week there will be packet sent out (via email) **and** hand delivered to the girls at school. This packet will contain an updated Rangerettes calendar, permission slips for the **fall hike, which is on October 23rd at noon**, the lock-in (sleep over) on October 28th at school, a list for the candy sales on church, and a contact list.

The candy sale is going great; we have sold over half of our candy in inventory, and can always order more if needed. There is still over a month to go, so keep selling. Remember that you will receive a \$5 gift certificate for Marcus Theaters for every case *over* the 2 cases that you are required to sell. In the past years we have hand out certificates to Rangerettes ranging from \$5 up to \$50. So let's keep up the great work on reaching our goal to have all of our activities paid for this year.

**OUR FATHER'S LUTHERAN SCHOOL
PRESENTS ITS FUN FALL FEST AND**

**Saturday, October 22nd
Our Father's Lutheran School Parking Lot
6023 South 27th Street, Greenfield
6:00-9:30 PM
(Trunkers will set up at 5:30)**

*Similar to the traditional trick or treat, the idea is to provide a **SAFE**, enjoyable experience for our children and the children of our neighborhood. The difference is that "trunkers" (adult members of Our Father's Lutheran School/Church/Day Care) hand out goodies from their cars, trucks, and/or vans. Trunkers gather at Our Father's and form a circle of vehicles with trunks (or back end of vehicle) facing the center of the circle. The children, dressed in their costumes, move from vehicle to vehicle to "beg" for treats rather than go door to door.*

The event will be more than just treats, as children may occasionally be required to perform tricks to receive a reward. Games of luck and skill will be included for candy or other prizes, information about our church and school will be available, and even a campfire and hot chocolate will be included.

**PLEASE CONSIDER JOINING US
(and remember to bring your flashlight!)**
