- Acorns/Rangerettes Meeting 6:00-9:00pm
- SUN, Sept. 25:** 4K/5K Sings at 8:00am Church Service

## Our Father's Trojan Times

### 4K-5K with Mrs. Wierman

Congratulations to Kaely and her family! Baby Kya Adelle was born earlier this week!

Happy Birthday wishes to Andrew who turns 5 on Sunday, September 11<sup>th</sup>. May Jesus continue to bless you and keep you in His loving care.

The updated driver list for field trips came home today. Please look it

over. I used parents who have returned their sheets to set up drivers and chaperones. Thanks for stepping up and making these events possible.

Make sure you go to our class web page to check out what skills and concepts your child has learned this week. I listed a special website which contains learning

games for your child. We have been visiting this site during our computer time.

Have a great weekend. Remember to worship and please send a church bulletin with your child on Monday.

### 1<sup>st</sup> and 2<sup>nd</sup> Grade with Mrs. Van Hulst

First graders will begin learning the correct way to form letters in handwriting. Please encourage your child to form the letters correctly while completing their homework. The second graders are taking on a very positive leadership role in our classroom.

Please encourage your second grader to memorize his/her basic math facts (addition facts to twenty and related subtraction facts). This is an area that could use strengthening and will make completing math work easier for your

child. Check out the First and Second grade classroom web page! I have added the link for the Our Father's Online Resource Center (ORC). The children are familiar with several learning games on this safe, fun site.

### 3<sup>rd</sup> and 4<sup>th</sup> Grade with Mr. Beversdorf

Well, we are into the full swing of things. We are really stretching our imaginations to make some extraordinary TALL Tales. Come by next week to see them displayed. In Language Arts, we are enjoying using our awesome adjectives. Students have learned about Canada this week in Social Studies and we completed some Aurora Borealis art. In Science, we continue learning about sound and have

practiced some tongue twisters too. In Math we are learning about measuring using standard (U.S.) and scientific (metric) units of measuring. Students have been a bit rusty on their addition and subtraction facts, so we reviewed this week with some Bingo. Keep working on these at home as they are essential for mathematical success.

We are blessed to have the addition of Mrs. Wiegert as music teacher

this year and Mr. Fred Suchy as technology consultant. Please come to the PTL meeting on MONDAY, SEPTEMBER 19 to learn more about the amazing things they are bringing to Our Father's.

Have a blessed weekend and please stop and remember how amazing God's love is to us through all the tragedies of this life.

## Our Father's Trojan Times

### 5<sup>th</sup> and 6<sup>th</sup> Grade with Mrs. Burgess

Well, the fifth graders are safely back from an outstanding experience at Outdoor Education! CHECK OUT THE PICTURES THAT WERE TAKEN OF OUR EXPERIENCES ON THE <http://www.ourfatherslutheran.org/School/Classrooms/FifthandSixthGrade/tabid/801/Default.aspx> WEBSITE (under SCHOOL, then CLASSROOMS, then FIFTH AND SIXTH GRADE. The pictures are in the album entitled "2011 A Great Time at Outdoor Ed!")! Thank you so much, Mrs. Witkowiak, for driving and for chaperoning, and thank you, Mrs. Hester, for helping drive us out there. Thank you, Mr. Burgess, for coming out to work with the girls on archery, team building, the low ropes course, and frisbee golf! Thank you, Mrs. Van Hulst, for visiting us! Thank you, Mrs. Saunders, for being such an excellent sub that the sixth-eighth graders had a great experience while we were gone! :-)

Get ready for Spelling Pretest 3 next Monday, and Social Studies Chapter 1 test later in the week.

Congratulations to Peter, who has said the six chief parts of the catechism to Pastor (before he left for Ghana)! What wonderful words to "learn by heart"!

Have a delightful weekend - hope to see you at Sunday School!

### 7<sup>th</sup> and 8<sup>th</sup> Grade with Mrs. Anderson

Next week we will start a new chapter in Science covering Matter, Elements, and the Periodic Table. Each 7<sup>th</sup> and 8<sup>th</sup> grader will be assigned 5 elements to report on. These reports are due on Wednesday, September 14<sup>th</sup>. Look for our soon-to-come GIANT Periodic Table on the wall by the Science/Art room.

Keep up the good work 7<sup>th</sup> and 8<sup>th</sup> graders!! We have had very few

problems with any incomplete/missing assignments. Have a super weekend!

REMEMBER: Monday, September, 19<sup>th</sup> at 7:00, you are all encouraged to attend the PTL meeting. A MAJOR Market Day announcement will be made! Market Day dessert samples will be distributed!

**Don't Miss**

## FROM THE PRINCIPAL

Ropes challenge course, log climbing, compass reading, night hiking, climbing a 35 foot pole and sliding down a zip line to safety . . . sound like military training? Nope, just an average day at outdoor education for Mrs. Burgess's 5th grade this week. I had a chance to spend a couple of afternoons with them at Camp Edwards in East Troy, and I must tell you, I was impressed. I had a lot of fun mixing it up with them. There were some scraps, cuts, bruises, and burrs, but I think I will recover nicely. Thank you to Lisa Witkowiak for coming along as a chaperon. You will find all the pictures on the 5-6 classroom page our school website.

## SUNDAY SCHOOL AND CHURCH SERVICE SCHEDULE CHANGE

All children ages three through sixth grade are invited to attend Sunday School each Sunday from 9:30 until 10:30. Sunday School begins on September 11. To aid in preparations, we ask that you please register your child/children prior to September 11. See the attached sheet to this newsletter for registration information.

**On Sunday, September 11, the late service changes back to 10:45 to allow for Bible class and Sunday School. The Thursday evening service remains at 7:00 and the Sunday early service begins at 8:00.**

## PTL MEETING

Mark your calendars for Monday, September 19, 7:00 p.m. This is the date for the Our Father's PTL meeting. **ALL families are expected to attend.** Mr. Fred Suchy - our technology leader - will be demonstrating how parents and students can use the Our Father's On-line Resource Center. A MAJOR Market Day announcement will also be made; you will want to be there to hear it first.

## SCHOLASTIC BOOK FAIR 2011!

Students will be given the opportunity to PREVIEW the books on Monday, September 12 between 8:30-11:30. Beginning the next day, students will have their opportunity to then PURCHASE any books. Teachers will notify the families when money should be sent with their children. FAMILY SHOPPING NIGHT is on Thursday, September 15 from 3:30-6:30 and on Friday, September 16, students will be offered the opportunity to enjoy moon rock cookies and milky way drinks before the Book Fair closes for the year. Call the school office with any questions 282-7500.

## MARKET DAY IS BACK!

New to Market Day and all it has to offer your family and your wallet? You can always visit the Market Day website at [www.marketday.com](http://www.marketday.com). Orders can be picked up in the school gymnasium on Saturday, September 17 from 10:30-11:30. When picking up your order, you may also drop off all your aluminum cans. As always, your Market Day reps are Kim Tietyen (336-5168) and Kate Madderom (481-1092).

## PAC NOTES

The Parent Advisory Committee (PAC) is a volunteer organization open to all parents of Our Father's Lutheran School and is committed to school improvement. One of the functions the PAC has taken on is to improve fellowship activities within the school and community.

The PAC is always looking for more parents to join to share their ideas and help promote our great school. If you are interested in joining, the next PAC meeting will be on Monday, September 12, at 6:00 p.m. in the school conference room. The PAC will continue to meet the FIRST MONDAY of every month. Contact Kim Tietyen in the school office if you have any other questions.

## RANGER NEWS

We meet TONIGHT from 6:30-8:30; we have much planning to do for our fall camp-out next weekend. MAKE SURE TO RETURN YOUR SIGNED PERMISSION FORMS THIS EVENING! Remember that Rangers is open to ALL boys, so if you know someone who may be interested, who is not a member of Our Father's, please give him a registration packet from the office, or invite him to a meeting. As always, we would love to have interested parents join as leaders. What better way to spend time with your son and his friends, and earn service hours?

Our first outing is already quickly approaching! Our first outing is the Buckhorn State Park kick-off-camp-out extravaganza, September 16-18th. A permission slip was distributed with the registration packets, the permission form is due at tonight's meeting.

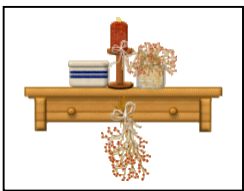

Chief Ranger Tietyen  
(414) 688-6246

## WHO ARE YOU CALLING A DING-A-LING?

Do you like making music? Making a few new friends? Then come join the Hand Bell Choir! No prior musical experience is required! All adult members and children 5<sup>th</sup> grade and older are invited to join. We rehearse one hour/week on Mondays beginning September 12 at 6:30 p.m. and will participate in one worship service/month. Bonus for members of Our Father's School and Martin Luther High School students - participation can be applied to service hours. If interested, please contact Sue Burgess or call Deb Parewski @ (414) 421-8070.

## CALLING ALL CRAFTERS!

The 8<sup>th</sup> grade class is in the process of planning the annual Holiday Craft Fair. If you or someone you know is interested in renting a booth at the fair, please call Tamara Hansen with your contact information and she will make sure and send you a registration packet. She can be reached at 649-9363. The TENTATIVE date for the Fair is Saturday, October 15<sup>th</sup>.

## GL SCRIP NEWS

Welcome to another new school year! For any new families and as a refresher to our returning families, I just wanted to say a few words about the Scrip Program here at Our Father's. GL Scrip is basically purchasing your gift cards/gas cards through the school so that OFLS receives a percentage of the face value of the card. Each participating vender has its own designated percentage. For example, if you purchase a Roundy's Pick N'Save card for \$100, you get the gift card at full face value and OFLS receives \$4.00.

GL Scrip cards are available for purchase after church services and also on Wednesday mornings in the school/church office. During the school year, we will be placing 2 orders each month. Please turn in your order form in the office by Friday afternoon when the orders are due. Your order will be available for pick-up the following Thursday.

Here is a list of the next order dates:

September 9<sup>th</sup> & 23<sup>rd</sup>

October 7<sup>th</sup> & 21<sup>st</sup>

November 11 & 23<sup>rd</sup>

If you have any questions, please contact Elizabeth Beine in the office at 282-7500, or Liz Smolen at 414-758-853

## Our Father's Ev. Lutheran School

September, 2011

### STARTING A NEW SEASON? PLAY BALL!

There's so much to learn or re-learn when we start a new season, or in this case a new school year. We've got new schedules, new teachers, new supplies, and the added excitement of the Brewers and the Packers!! With so much dividing and/or demanding our attention, we need to keep things simple.

The simple fact is that we can earn FREE stuff for our school! In recent years, we have earned everything from playground balls and glue to a DVD/VCR and a digital camera – and so much more! The best part is that it was all FREE and WE DID IT!!

This year can be a winning season for Our Father's as well. The rules of the game are simple. All you have to do is save UPC's (bar codes) or lids from products you regularly buy. Bring those UPC's and lids to school and we'll send them in to Campbell's for FREE STUFF for the school! A list of "Participating Products" is included elsewhere in this newsletter.

For the 2011-12 season, Campbell's has added additional brands for eligibility. We'll collect UPC's from Glad® storage bags, Emerald® nuts, Dannon® kids' yogurts, and even some retail-purchased magazines!! These are just the NEW items. There are so many returning brands that also apply, like BIC® pens, Post® cereals, Pepperidge Farm® Goldfish® crackers, and SpaghettiOs®. Take a look at the complete list. It's SIMPLE!

Help support our winning team. Save your UPC's and lids. Bring them to school and place them into the big Campbell's bin just outside of the school office. You can also bring them to church and place them in the cabinet closest to the balcony stairs in the narthex. It doesn't get easier than that!

The program is so simple, you'll not only have helped our school EARN FREE STUFF, but you may also have some FREE time. Consider throwing a party to cheer for your favorite team. Invite all of your friends, family, and maybe a stranger or two, telling them all about how easily they can help support OUR winning team – Our Father's Lutheran School! Ask them to save their UPC's and lids, giving them to our school.

You never know how far you can get if you don't play the game. So, let's get the ball rolling, and. . . . (Have you had enough sports clichés yet?) Please, start saving your Campbell's labels as well as those from the other amazing brands. Every UPC adds up to score us a winning season – and YOU are a key player! Thanks, in advance, for being a part of the team!

Eat Well! Save Often!
