CLASSROOM NOTES

4K with Mrs. Plieseis:

It was quite an interesting week as Mr. I came to be a part of our class. He was measuring everything with his impossible inches! He also taught us all about insects.

Reminder that Grandparents Day is coming up rather quickly and we have to turn our room into a barnyard. ("Green Acres"). If anyone would like to help decorate or has any cool ideas, let us know! Check out the calendar for all the other neat things happening that week!

Church attendance was up to 63% last weekend. Let's keep it going up.

Thanks to all those who brought their child to sing last Saturday for the registration/round-up. They did a great job!

Have a wonderful weekend!

4K & 5K SCIENCE with Mrs. Wierman:

This week we learned about "magnets", what objects are attracted and which are not. We experimented using magnets to see which objects a magnet would pull.

5K with Mrs. Wierman:

All is well; the students have been working very well this past week. Does anyone have ideas for our "Mickey Mouse Club" 5K room for Grandparents Day? Shawna has been coming up with some ideas.

Thanks for bringing your son/daughter to sing for the Round-Up last Saturday. They were Great!!! (as always). Don't forget to register them for next year if you haven't already done so.

Have a great weekend. Remember to worship

FIRST & SECOND GRADE with Mrs. Van Hulst:

There are several important dates you need to remember to mark your calendar: Lutheran Schools Week is being held March 7-12 (see list of events at the back of the newsletter). 1-4 choir will be singing at the 4:30 Lenten Service on Wednesday, March 10. Grandparents Day is on Friday, March 12; (please send me a note if your child will be going home with Grandma and Grandpa for the afternoon).

Second grade has learned all the lower case cursive letters. All of their class work and homework should now be written in cursive. The exception will be the capital letters. Capital letters will be printed until we learn them. Sorry first grade, no cursive writing for you yet. We are still learning the printed letters.

THIRD & FOURTH GRADE with Miss Wicks:

Parents, please check your email for information pertaining Grandparents' Day and dressing for our room theme (our room theme is Little House on the Prairie). Our class colors for color day (Thursday, March 11) are orange, green, or orange and green.

We will have a Science test on Chapter 9 on Monday, March 1.

FIFTH & SIXTH GRADE with Mrs. Burgess:

Our words-of-the-week are brought to us by Brooke (foozle: to goof up or bungle!) and Daniel (piranha: small fish known for big appetites!).

Happy Birthday to Brooke; thank you for the DELICIOUS cupcakes! May God bless you always!

We will dye our shirts on Monday, so don't wear your best clothes. It'll be fun to see all of the crazy designs!!

Don't forget that we'll see *The Wiz* on Friday at noon! Don't be afraid to order hot lunch; the hot lunch servers have offered to serve us an early **pizza** lunch at 10:45!!

Please study for Spelling pretest 24 on Monday.
Have a relaxing weekend!

SEVENTH & EIGHTH GRADE with Mrs. Anderson

We will be dying our t-shirts on Monday! (Finally!!!) Please be sure to wear or bring clothes that can get messy. We will rinse out the shirts and let them dry at school and then send them home to be washed a day or so later. We will be sure to include washing instructions.

Permission slips for 2 trips to Martin Luther went home today. On Tuesday, 3/9, we're going to hear a singing group, Perry and the Poorboys. On Thursday, 3/11, we will be seeing the spring play, *Beauty and the Beast*. Please consider driving for one of these trips.

Science Fair information sheets went home on Thursday. Please help your child look into an appropriate project so he/she can present their idea to Mrs. Anderson.

Please keep working on the speaking parts for the play and on the movements and actions. Students need to be aware of where and when they come on stage. We are working on where they stand on the stage. Your Unit 4 English test on adjectives and adverbs will be Monday afternoon!

Have a great weekend!!!

MARKET DAY

March Market Day brochures and order forms were distributed today. Inside March's brochure (page 7), you will be introduced to three new Market Day Gourmet seasonings. Named Mic-roasted, these new seasonings allow you to go from frozen to flavorful in just minutes.

A simple, three step process will allow you to create healthy meals that look and taste oven-roasted, simply by using your microwave. Simply put your frozen meat into the specially vented microwave bag, pour your seasoning into the bag, and finally, microwave and enjoy.

The Mic-roasted comes in 3 savory flavors, with additional varieties coming out soon; Greek Town Butter Thyme, San Fran Teriaki, and San Jose Salsa. No butter or oil is needed and, a definite plus, NO measuring and NO pots and pans to wash (what busy family wouldn't like that?).

Your March order forms need to be turned in by March 12 (internet orders by March 17), pick-up is scheduled for Saturday, March 20 from 10:30-11:30. While picking up your Market Day, don't forget to drop off your aluminum cans! The aluminum can drive is an easy way to provide much-needed funds for the library account.

BRADLEY CENTER

Thanks to the following who have agreed to work the concession stand on Friday, March 5th - so far: Steve Butz, Rob Clark, Kevin Coerper, John Dorsey, Dan Kaminski (all Milwaukee Male Chorus members who are helping us out!), Karen Lenhart, Tess Sebeny, and Gerald Hurula. Since 6 of these are new people, ***we need at least 4 more*** experienced people to work the stand in order for us to do it. Names were to be faxed in today, but it will be held open until Monday. Please get back to us ASAP!! We leave Our Father's at 4:30 for this Admirals game.

After earning \$452.70 at our last event, we now have earned \$2192.24 for our events this year. Let's finish this year out with at least doubling that amount for our English series in fall!

B.C. NEWS FLASH!!

There is a possibility we can work BOTH sessions of the NCAA playoffs on March 19th. We would either need double the workers, or you can stay through for both sessions. WHAT an opportunity to make great money! There will be 2 time slots. One will be in A.M. (could be as early as 9:00 A.M.) and the other is in the evening. Exact times won't be known for a week. If anyone can work in the A.M., that would be great!!! Stay tuned! Please consider signing up!!!

RANGERS

Our next meeting is March 5. We will be officially weighing in our cars for Saturday's pinewood derby. If any parent can stay during the meeting to help set-up the track, it would be greatly appreciated. The derby is being held on Saturday, March 6, beginning at 10:00. A hot dog/brat lunch will be provided on the day of the race. For planning purposes, lunch order forms for this event will be sent home soon. With anticipation of a larger crowd joining us this year (the Rangerettes are also racing) it is being asked that each Ranger who is participating in the races bring a dessert to share.

ACORNS AND RANGERETTES

The parents that are helping out with this project please contact me at 414-573-4599, so that we can have everything set up and organized by the time the girls start coming.

We will have two different rooms set up - *wood working room* in the upper grades science and art room - *painting room* in the lower grade art room. Following the workshop we will have our "Lock In" (which is a sleep over) and movie in the gym: The girls will go in the gym, set up their sleeping bags, and get ready for the movie. The leaders have not decided on the movie yet but I will let you know as soon as we do. The girls will watch a movie and have some snacks. Lights out after the movie. Saturday

morning the girls will have breakfast, gather their things together and then play in the gym until pick up time.
