Dear Parents and Students,

Our faculty has been invited to attend a conference on technology integration on Friday, February 25th. It is important that our teachers have opportunity for development in the ever-changing world of technology. This conference offers information, which may more clearly define ways we may better serve our students. We have received the blessing of the Board for Christian Education to close school on this day so that our teachers may attend. I hope that this early notice will give you time to make any necessary arrangements.

Our Day Care center will be open on this day if you should need to take advantage of their services. Please call ahead of time so the Day Care may schedule needed workers. **Again, school will be canceled for Friday, February 25, 2011.**

What a short week! Because of it, we'll move a few assignment deadlines to next week! The Compare/Contrast Book/Movie paper is due NEXT Friday, February 11. The lesson 16 spelling workbook pages will also be due Friday, and the final spelling test for lesson 16 will be Friday.

Valentine's Day is quickly approaching! On Monday, February 14, we will "mail" each other valentines during the last period: 2:35-3:15. Any children interested in bringing valentines for classmates should be sure to include all of the 16 other students. Valentine celebration treats are fine, too! :-)

Your child will bring home a calendar letter today - you may order an auction calendar so that you have one of your very own. The calendar is amazing; your children are stars! We'd like to thank Mr. and Mrs. Sievert for the many hours of work they put into producing a beautiful keepsake.

Our 3 "Italian Night In!" baskets turned out fabulous as well - thank you for your contributions! Thank you to Mrs. Kurth for putting them together!
