

June 15, 2010

Dear Members and Friends of Our Father's,

At the Divine Services at Our Father's this past weekend it was announced that we would be having a special voters' meeting this coming Sunday, 6/20, after the late service, to select the candidate who would receive a call to be our new school principal.

This special voters' meeting is being rescheduled to the following Sunday, 6/27, to be held after the late service (which should generally end between 11:00 and 11:15.)

We kindly ask that you take the time to spread this news to all interested friends and family.

Last night the Board for Christian Education (BCE) had a long but productive meeting. We have identified an initial short list of candidates from the full list provided by our District office. As of this morning we are attempting to contact those candidates to arrange interviews with the BCE in order for us to further refine the initial short list to a final slate of candidates to present to the congregation. Until we contact all of the candidates on our short list, we cannot be sure of completing our work in time for a meeting this coming Sunday.

Besides this practical reason for delaying the special voters' meeting, we want to allow some additional time for all interested parties – members, school families and staff – to be more involved in the call process. As we work to prepare a final slate of candidates for the congregation, we welcome and encourage you to offer any advice or input you may have for us in this call process. Please feel free to contact me or any of the other Board for Christian Education members to share your thoughts. My contact information is provided below for your convenience.

I have more news and information to organize and share on behalf of the BCE, but at this moment I wanted to get out the information regarding the rescheduled voters' meeting as quickly as possible. Please look for more important information to come from the BCE in the next few days.

In Christ,
Dean Sievert
