Homemade Play-Dough Recipe

	Quantity	Ingredient
	1 Cup	Flour
	1 Cup	Water
	1/2 Cup	Salt
	1 Tbls.	Cooking Oil
	2 teas.	Cream of Tartar
	Drops	Food Coloring

Mix all ingredients together in a nonstick-coated kettle. **Heat** over medium heat. **Stir** until thick, then **flip** the "blob" over a couple of times in the pan to be sure it is dry enough. **Scrape** the Play-Dough out of the pan onto the counter surface and **knead** a bit.

Store in a plastic storage bag with a twist tie, then put the bag of Play-Dough in a Cool Whip, Tupperware, or other plastic container with a lid.

Please **print** your child's first and last name on the lid with a permanent marker.
