

Reformation Fest Perishable Food Donation Request

There are items that we need donated for the Reformation Fest that cannot be made or purchased until right before the BIG EVENT. Please think about donating from one or both of the items listed in the categories below! We will use the apples as a FUN SWEET TREAT. The baked goods (homemade or store-bought!) will be used for a special activity!

Please return the bottom of this sheet in the box in the school office or narthex by Friday, October 20, indicating which item(s) you will be able to send. We'd like the items brought to school on Friday, October 27 so that we can get everything organized. Please bring the items on disposable dishes!

Thank You!!!!!!!
The Student Council & Sue Burgess
