Our Father's

Weekly Newsletter, Friday, May 10, 2019

Hello Families! There are just three weeks left in the 2018-2019 School Year. It doesn't seem that long ago that we were battling snow and bitter cold. Then again, when I think about it, I guess it really hasn't been that long. Hopefully our very cold Winter and wet Spring turn into a beautiful Summer.

The final round of MAP testing will be underway shortly. Results should be available by the time school ends and will hopefully be able to come home with report cards. This will give the staff and me another full year of data to evaluate and use to continue to improve the education here at Our Father's. Testing at the end of the year can be very difficult for students as they are ready for summer. Please encourage your children to continue to put forth their best effort in their work all the way through the end of school. They have done a great job this year and we want to see that reflected in their results this Spring.

If you missed the announcement last week regarding the 2nd Annual Walk-a-thon, please take a look at the information below. Hopefully you are receiving daily updates from your class captains about the progress we are making towards our \$20,000 goal! Please remember that every class that raises \$1200 in pledges and donations will have the chance to dunk me in a dunk tank on Field Day!
