

11 Week Summer Session

Starting the 4th of June, summer session is a time for great new ways of learning together! Again this year, **three class voice camps** will be offered **free** with private lesson tuition. We are looking forward to studying “**American Folk Songs**”, and “**Julie Andrews**” culminating in an exciting evening of **performance**. These sessions will take place once a month. [see calendar] Summer is always a great time to expand or start your music training. Just check out the class offerings and fill out the attached enrollment form to get started on your musical journey.

Session 1: I Love to sing Folk Songs!

Session 2: A Julie Andrews Biography

Session 3: Performing for each other in preparation for upcoming performance.

Tuition

This year's tuition once again offers extra class time for **free** with full summer tuition. The cost is \$280 for the 11 half-hour sessions [due by June 6], or \$96 each month deposited June 1, July 10 and August 2. The cost for 45 minute lessons is \$420 in advance or \$144 a month. Hour private lessons are \$560 in advance or \$190 per month.

Scheduling Private Lessons

Morning, afternoon and evening times are available at both studios. Lesson times are scheduled with those who have studied with Ms. Wagner the longest having first choice. **All vocal students should schedule 45 minutes this summer to insure 11 half hour lessons are received!** (Those taking 45 minute lessons should schedule an hour each week.) **Additionally, those who study all three months of the summer will keep their tuition costs lower in the fall as well as have first choice in scheduling.** There is always room! Class days and times can be found on the calendar. Most students are taking half-hour lessons, but some more advanced (those in their 4th year or more) study for 45 minutes and others sing, play piano and have private theory lessons as well. **Summer is the best time to custom design your own music education!**

Julie Andrews, the 13 year old singer for the Queen!

This summer we explore the music career of one of our best loved Broadway and Movie musical stars.

Each of our 3 vocal camps will have us celebrating our British ancestry with American Folk Songs and proper tea! A spoonful of sugar will surely make our afternoons fly by!

Stop in for a spot of tea and a hand made cup!!
